

From the Heart of the Director

One heart at a time...one life at a time

## Happy Father's Day!

This month we celebrate Father's Day. God, our Heavenly Father, in His divine wisdom, commanded fathers to love, lead, instruct, discipline, provide and protect their children. A father has a significant influence on his child's life, not only in the first eighteen years and beyond, but also when his baby is growing in the womb of the mother.

One of the services we offer to fathers is a curriculum called "**Practical Fatherhood**." Lessons in this curriculum are designed to encourage and inspire confidence in men to embrace their God-given role as fathers. A dad will meet with one of our male mentors to learn how he can make a difference in his child's life, how to become a role model and leader, and how to effectively parent his child. As he learns, he will also recognize that he is supporting his child's mother as they parent (or co-parent) together. Moreover, dads will be encouraged by their male mentors as they glean insight and godly wisdom from their mentor's fatherhood experiences.

With each newsletter, I am reminded of God's kindness and faithfulness to us through your support and encouragement. It is both humbling and awe-inspiring to see how God uses His people in different ways to bring about His plans and purposes through Crossroads Pregnancy Center. Because of your gracious support, we can offer resources and curriculum like *Practical Fatherhood* to build strong families. Thank you!

*Grandchildren are the crown of old men, and the glory of sons is their fathers.* (Prov. 17:6)
