CENTER MENTORS: Welcome Denise, Lisa & Renee!

What a joy it is to congratulate these three lovely ladies, **Denise Hurt, Lisa Munoz, and Renee Hardiman** for completing the 6-day advocate training through the manual, *Intimacy Before Impact*. This manual is foundational to cultivating our relationship with the Lord who equips us for ministering to others through His Word.

It was a sweet blessing to spend time with these women. As client advocates, their love for the Lord, wisdom, gentleness, willingness, and compassionate hearts will be a blessing to the clients they meet. We thank the Lord for them!

For we are God's fellow workers; (1 Cor. 3:9)

NIFLA Applauds SCOTUS for Allowing Texas Abortion Ban

“NIFLA is thrilled that unborn babies in the state of Texas will be protected from slaughter. We congratulate Texas for being the first state in America to ban killing innocent children in the womb as early as six weeks in pregnancy. Furthermore, we applaud the U.S. Supreme Court for allowing the ban to take effect and saving lives.

“This development holds positive ramifications for future SCOTUS cases and for our nation. As NIFLA argued in our Dobbs v. Jackson Women’s Health Organization brief, the high court must end the crime against humanity that is abortion and gut Roe v. Wade. Today, we are one step closer to this goal.

“Life is winning. NIFLA’s network of more than 1,600 pregnancy centers and medical clinics stands at the ready to help mothers and babies in a post-Roe America. We are here to empower the choice of life.” President, Thomas Glessner, *National Institute of Family and Life Advocates (NIFLA)*
